Sustainable Development Goals

Dear friends and project partners!

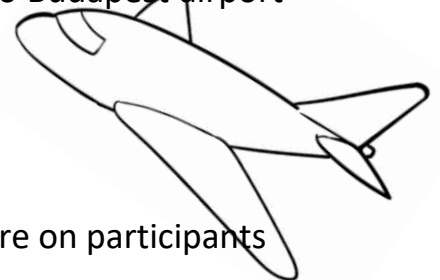

You are invited to our activity to Azerbaijan as part of our accredited project. Please find below main information about it:

- The activity is mobility of youth workers, May 3rd– May 8th 2025, **five participants per country (plus leader)**
- **Arrival day** is 3rd till dinner, **departure** is on 20th after breakfast
- **Venue:** Baku, Azerbaijan
- **Age limit:** 13 years and above
- **Topic:** sustainable development, environmental Protection, sustainable development goals

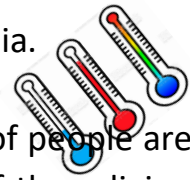

We will discuss about sustainable development goals, farm to fork possibilities and about different environmental issues, both locally and globally. Through various workshops, we will learn how we can contribute to preserving the environment and how we, as young people and youth workers, can be an example to others in carrying out environmental protection activities.

- **Arrival possibilities:**
 - For Slovenian participants it is predicted departure from Budapest airport on 2nd of May at 22:00. Return from Baku to Budapest airport is predicted on 8th of May at 22:25. These data are based on Wizzair travel itinerary
 - Travel tickets will be bought by association ZOJA
Budget is according to Erasmus+ programme rules
360 EUR per person max. If costs are higher, they are on participants expense (what is above 360 EUR)

- **Weather:** weather in Baku is similar to the weather in Slovenia.
- **Other information:**
Azerbaijan is a Muslim country, which means that majority of people are of Muslim religion. It is also a secular country. Regardless of the religion differences participants shall respect Azerbaijan's culture and habits.

These are first information. Read them and, please, give us your feedback. After more information will be provided.

Greetings from Slovenia and ZOJA team!
